Enrichment Week

5<sup>th</sup> July – 9<sup>th</sup> July

Welcome to the Enrichment Week booklet for 2010

### Enrichment Week 2010

We are very pleased to be able to offer an enrichment week as part of the college calendar at Paignton Community & Sports College. For the week of 5<sup>th</sup> -9<sup>th</sup> July 2010 the normal college timetable will be suspended for all students in years 7 -10. Students and staff will spend the week participating in a variety of activities not usually available during the normal college day. The week is an opportunity for all students to learn some new skills and develop socially. It will also allow the staff and students to work together in less formal situations which will improve their working relationships in the coming academic year.

### Attendance

We regard Enrichment Week as an important part of your son or daughter's development and expect normal attendance during this week. Any absence should be notified in the usual manner through our absence lines on 01803 403602 (Waterleat Road) and 01803 403721 (Borough Road).

### Payment for activities

The costs for the activities have been calculated according to a maximum number of students taking part, if there are insufficient numbers of students opting for a particular activity then the activity may be cancelled. We have ensured that there is a broad range of activities in terms of both interest and cost, which will enable everyone to participate in a worthwhile activity. The preferred method of payment is through Parent Pay, however cheques will be accepted, payable to Paignton Community & Sports College (please ensure that you write your child's name, tutor group and activities on the reverse). All payments are non refundable unless the activity is cancelled by the College.

If you are currently claiming free school meals your son or daughter can spend up to £40 on activities and this will be paid for by 'My time' funding which is a government funding initiative. If the activities they choose cost more than £40 you will need to pay any additional costs.

### Choosing an activity

Please read through all the booking instructions carefully. Ensure that you indicate your first second and third choices for each day and we will try to ensure that students are allocated to these activities however, in view of the number of students and activities taking place every day it may not be possible for everyone to have their first choice every day.

If you have any questions please do not hesitate to contact Mr M Williams, Assistant Head Teacher or Mrs A Kempson, Pastoral Support Manager, or the activity leader on 01803 403003. Alternatively email [ann.kempson@paigntoncommunitycollege.com](mailto:ann.kempson@paigntoncommunitycollege.com)
